

# Room Two

Ms. Lori

## Reminders:

- Sign in and out every day!
- Wash your child's hands upon arrival!
- Please bring in two family photos!
- Don't forget sippy cups and blankets on Mondays!

This month we will be doing a bunch of different winter activities! We will be exploring snow and ice in our big sensory bin. We will also be painting mittens and making a melted snowman. This month we will also be working on our social skills by tossing a snowball with our friends and singing together as a group!

Last month we had lots of fun painting with an evergreen branch. We also loved using our five senses to explore new textures and smells!
