

July

Current Events

It is so hard to believe it's July! Summer is finally here and we are enjoying our time outside and being in the water.

We have finished with our All About Us project and started an All About Summer mini project.

This will give us a chance to explore the many aspects of summer including the different senses of summer, the variety of colors we see in summer, the different

textures of summer, the variety of foods we eat during the summer, and the changes of the weather during the summer.

The children in Room 4 have seemed excited about starting our summer mini project. They have really enjoyed the variety of summer songs that we have been singing lately.

We would like to say thank you to everyone who donated some of your child's favorite

fruit during our All About Us culminating event. The children enjoyed tasting the variety of different fruits.

We would also like to welcome our new CDS to the classroom Ms. Alecia. Ms. Alecia has been here for about two weeks and we absolutely love having her in the classroom. If you haven't had the chance to say hi, please do so the next time you see her!

Room 4

Things to remember:

- As we spend a lot of our time outdoors, please make sure we have water bottles available and weather appropriate clothing.
- Our SNL is July 15th

at this Katie's Kids Location.

- Our open house is July 22nd from 9am-11am.
- If your child brings in items from home

please have them labeled with their initials.

- Please make sure your child washes their hands upon arrival.

Birthdays:

Wyatt 28th
