

Room 2 Newsletter

July 2015

Ms. Laya

For the month of July, we will be doing some Fourth of July activities as well as starting our theme of Animals! We will be starting off with Farm animals. We plan to focus on what sounds different Farm Animals make and what they eat!

Some of the activities we are looking forward to are "Pinning the Tail on the Horse", making Quakers for music, and lots of different art crafts.

This month we will be welcoming Malin and Emmett from Room 2 and saying See Ya Later to Darsh and Sebastian as they move up to different adventures.
