Room 4

Current Events

As we say goodbye to July, we say hello to August. We also welcome a new and exciting school year.

We will be finishing our summer mini project in the beginning of August. In August we will be introducing our new project. Keep a look out in the near future for information on our new project.

The children enjoyed exploring all about summer. Some of their favorite activities included: creating our own bubble snake, ice cream cone shape matching, breaking the ice to reveal the summer objects, and digging in the sand for letter seashells.

The children really enjoyed discussing what we could do in the summertime. Our friends in Room 4 have enjoyed learning some new summertime songs. Some of those songs are: take me out to the ballgame, three little fish, five little sand castles, three little hotdogs, and if all of the rain drops.

Things to remember:

- Our professional development day is August 11th and the center will be closed that day.
- SNL will be August 12th at Katie's Kids 2 in Normal.

- Our school age program will end August 10th.
- Please remember to sign in and out upon arrival and departure.
- Please check your child's cubby or bin for

- weather appropriate extra clothes.
- Please make sure your child has a water and milk cup.

Birthdays:

Nora 11th

Sammy 13th
