

# March

Room 4

## Current Events

Happy spring everyone! As February comes to an end, we move into March. As we move into March, we continue with our All About Us project.

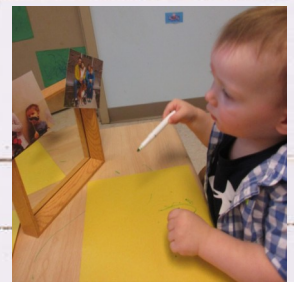

We still have plenty of our friends to learn about. The children have really enjoyed getting to learn all about the other children in the classroom.

Some of the things that we have learned so far about our friends include their

favorite songs, their favorite books, their favorite foods, their favorite color, what they love to do at home, what they want to be when they grow up, and their favorite comfort items.

The children have really enjoyed showing the other children in the classroom their poster boards. The poster boards have become a wonderful circle time introduction. It allows the child of the week to really

show everyone else in the class, all about them. Miss Courtney and I really appreciate everyone's time and effort to create these poster boards. Thank you!

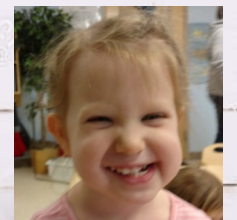

## Birthdays:

Olivia 7th

Ava 25th

## Things to remember

- SNL will be March 4th at the second Katie's Kids location. It will be from 5-10pm.
- Day light savings is on March 12th. Remember that we turn our clocks forward an hour.
- Our parent teacher conferences are March 31st. Keep a look out for sign up sheet. It will be posted on our clipboard in the classroom.
- Please check cubbies to make sure your child has extra clothes and that they are weather appropriate.
- As the children bring in toys and blankets from home, please make sure that they are labeled with your child's name on it. We want to make sure that all their stuff goes home with them.
