

# May

## Room 4

### Current Events

As we spring into May, we are starting to finish up our All About Us project. We have a few more friends to left and we can't wait to learn all about them.

Our friends in Room 4 have had a blast getting to know about all of the other children in the classroom.

Room 4 has enjoyed participating in our All About Us activities. Some of those activities that the children enjoyed participating in are: sink or float

activity, shape matching activity, light table provocation, and more.

Miss Courtney and I have really enjoyed the poster boards that children have brought in for there week.

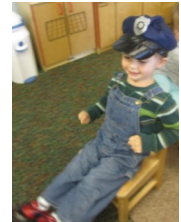

It gives us an opportunity to get to know more about them in the classroom and at home as well.

As we move towards the end of our All About Us project, we will be starting a new project in the near future. Keep a look out for information

about our new upcoming project.

The end of April has brought Room 4 some new and exciting changes. Room 4 wants to say good-luck to Wren as she transitions to preschool. We would also like to say Welcome to Esme as she transitions from Room 1 into our room.

Room 4 would also like good-bye and good luck to Miss Courtney as she moves onto new adventure and new opportunities.

### Things to remember:

- As the weather becomes nicer outside, we will be applying sunscreen every time we go outside. If you have not filled out a sunscreen form, please do so and return. There are copies of the form up at the front desk.
- Please check your child's cubby or bin to make sure they have weather appropriate extra clothes.
- If you would like your child to wear a hat outside, please bring it in labeled.
- Our water feature officially starts the week of May 29th. Our water days are Wednesday and Friday. I will be sending home a note of what to bring for the week.

### Birthdays:

**Garrett 12th**
