What are we doing?

We are very excited to welcome Ira to our room! We can't wait to get to know both Ira and her family. We also are excited to welcome our new music teacher, Janel!

We have two new babies joining our room this month. Brody & Ellie! We are very excited to get to know them and their families.

This past month we did a couple different activities! We brought snow inside for the babies to explore. The babies were able to use their hands to explore the snow. The babies' painted little candy canes by stamping their hands with red paint. We gave the babies an empty puffs can and put marbles inside and let them shake it, they made a cool painting! That was a fun activity!

We are looking forward to lots of different activities this month to bring in the winter. Exploring pinecones, painting with pinecones, puff painting, & much much more!
