

Room One

April

Miss. Paige
Miss. Taylor
Miss. Brittany

What are we
doing?

March brought a few days of warm weather and the children were able to explore the outdoors a little bit. But, when it was too cold, we brought the outside, inside! We played with Easter Eggs, Leprechauns, and water!

We had such a wonderful time at Parent Teacher Conferences last month. Broadcasting your children's progress and development is definitely a proud moment of ours!

This month we will be focusing on four different books. Each week we will plan our lessons based upon a specific book.

Objectives

This month

- SNL April 8th at KKLC @ the Links

Language

*Uses language to express thoughts and needs

The Arts

* Explores musical concepts and expressions

Fine Motor Development
