

# April Newsletter

## DONATIONS

We are in need of some used clothes to use as extras in cases of accidents or wet clothes. We are looking for warm and cold weather clothes for boys and girls. If you have extras at home that you are willing to donate we will graciously except them.

Thank you!

## IMPORTANT DATES

Lauren's Birthday	3
SNL	8
Hearing and Vision Retest	13
Earth Day	21
Elsie's Birthday	30

## FARMERS PROJECT

As we continue into our Community Helpers project we are going to focus on Farmers. This works perfectly with Earth Day (mentioned below) and the beginning of planting season. We are going to be focusing on animals, plants, crops, the equipment farmers use and more.

boxes on Earth Day. They will also choose what they want to plant from a select list, and they will help plant the seeds needed. They will then have the chance to water the plants everyday during the summer. We will then harvest the crops and enjoy!

During our farming activities we will have a garden project. This will include each classroom being responsible for one of the flower boxes on the playground. The students will help prep the

## EARTH DAY

Earth day will be held on Friday April 21st from 10 -12. All parents are welcome to join us as we start to prep our garden for the summer. We will also have activities such

as recycled bird houses, rainbow rain boot plants, we will make labels for our garden beds, ivy planting and much more. We hope to see you there!
