

Room One

January

Miss. Paige
Miss.
Taylor

Eleanor is
learning
balance!

What are we doing?

We hope you all had a safe, healthy and happy holiday! We loved celebrating with your children! They were super interested in our tree, ornaments, snow, and santa hat!

As far as lesson plans go, we are going to continue with individual lesson plans and assessing your children's individual needs and goals. We hope our communication via email has worked best for everyone involved!

This month we will be focusing on fun New Year activities that explore different senses! We will be experimenting with firework art (paint, not fire ... we promise!), ice, marshmallows and pinecones!

Happy
Happy
Holidays!

Objectives

Fine Motor Development

♥Uses fingers and hands to touch, grasp, feel

Language

♥Uses language to express thoughts and needs

Cognitive

♥Shows curiosity and motivation

Did you know?

- We have TWO students transitioning to older classrooms in January!
- We have one more WALKER!
- We keep snacks like cheerios, crackers and puffs in our room?
