

Room One

July

Miss. Paige
Miss. Taylor
Miss. Alex
Miss Erin

What are we doing?

Room 1 had lots of fun learning and exploring everything there is about birds. Our friends painted with birds and feathers, made bird nests and bird houses, and even found birds outside our classroom.

We are still enjoying the beautiful summer weather, so please remember to dress your child accordingly. Also, please remember to bring swimwear on Mondays!

Room one loves
learning about birds!

This month

- July 4th: Center Closed. (Happy Holiday)
- July 15th: SNL at KK1.
- July 22nd: Open House at KK1.

This month we will be focusing on learning about sharing with our friends. We know how difficult it is to share, so we want to introduce this concept to help our friends communicate their feelings. We hope to continue making great relationships with all of our friends.

Objectives

Social/Emotional

Regulates own emotions and behaviors.

1a. Manages feelings.

New friends, Adelyn
and Dhiyan!
