

Dear Families –

We are so excited to announce that we are gearing up to have the outdoor water feature open soon! We are opening our water feature on Monday, June 3rd! As in the past, each classroom will have designated “water days” in which they can play in baby pools, sprinklers, the water spray pad and our water tables. Please refer to the schedule below. We encourage you to keep a bathing suit and towel here for these days. Their swim gear will be sent home at the end of the week to be washed and returned the following week. We do require that each child wear water shoes with good tread on the bottom similar to this style:

Crocs or other summer footwear are **NOT** allowed to be worn with the water feature.

\*If your child needs to wear ear plugs or any other special items on water days, please notify your teachers and provide them with the items. Please note that sunscreen will always be worn while they are outside.
