

# Room 5 Newsletter

## Community Helpers

### IMPORTANT DATES:

SNL

March 4, 2017

KK2 5-10 p.m.

Happy Birthday  
Wyatt !!!!

3-13

Shresta

3-26

Book Fair

27-31

Room 5 is in the beginning stages of their Community Helpers Project. We spent the last weeks in February gathering information about the community helpers that we want to learn about and discussing what we already knew about each

community helper. The first community helper we will be learning about is the Fireman. March also brings with it some nice weather. Room 5 is ready to get outside and be in our natural environment again. Please continue to bring in jackets and

warm clothing until further notice. Room 5 would like to say thank-you to all who participated in our cookie gram sale. We reached our goal to fund both the infant/toddler and preschool garden. We will see you at the end of the summer for our

Please begin to take Winter clothes home. Children may keep an extra jacket, hat and gloves. Boots can be collected outside the classroom.

## *Tidbits from the Teachers: Play is the Way!!!*

Play is the essential way to develop a child's brain. Through play children learn about language, math, literacy, science and social skills that they will carry with them throughout their learning careers. Play in the classroom combines, the interest of children, facilitation of teachers and a natural classroom environment to provide a wide range of daily learning experience for children. The skills that children learn while at play will last them a life time showing that **PLAY IS THE WAY!!!!**
