## What are we doing?

We welcomed Matthew & Fiona to our room & will welcome Logan & Prince to our room very soon! We are very excited to get to know each and every one of them and their families.

This past month we did a couple different activities! The babies explored colorful plastic eggs filled with different objects such as rocks, sand, coins, and beads in them. They all seemed to really enjoy all of the different noises they made while they shook them! The babies also enjoyed painting with the plastic eggs! Music Days are a very fun day for our room. The babies really enjoy all of the different instruments that Ms. Janel brings in!

We are looking forward to lots of different activities this month, such as playing with grass, saran wrap painting, bubbles, & checking out the sparkly pinwheel. We hope to get outside to enjoy some nice weather and go on some stroller rides.
