

**JANUARY 2017**

**ROOM 4**

## **Let's Start this year off Great!!!**

Wow, it's 2017 already! 2016 was full of fun and lots of excitement. We said goodbye to some friends that went onto preschool, and we welcomed some new friends into our classroom. As we are introducing our new friends into Room 4, we're also excited about starting our new "All About Me!" Project.

The children are excited to get to know our new friends and finding out more about each other and the teachers. Each week we are going to take time to learn about each child. We will be doing some of friends favorite activities, read their favorite books, and sing/ dance to their favorite songs!

During this project, it's going to involve our parents by sending home a questionnaire and a poster board

home about a different child each week. The poster board is to see how creative our families can get. We are looking forward to learning so much more about our friends!

Let's fasten our seatbelts and enjoy this year!!!

## ***Birthdays***

- ***Julius 1/21***
- ***Henry 1/27***
- ***Ms. Courtney 1/28***

## **Experiment with Baking Soda & Vinegar**

To start off, just pour some baking soda in the bottom of a container. We used a water-bottle because it's a fun container. Slowly pour the vinegar in. Watch how the two react and eventually bubble over the top! This activity is good for practicing life skills of pouring.

## **Reminders**

- As the weather starts to become cooler, we will still be heading outside (weather permitting). Please make sure your child has a hat, gloves, boots, snow pants, and a coat. We ask all items to be labeled and brought in a bag to be stored under cubbies.
- Please check cubbies or your child's bin to make sure they have extra clothes.
- With flu season starting, please wash your child's hands upon arrival.
- If any comfort items or toys are brought into the room, we ask them to be labeled with your child's name on it.
