

## **Legislative Plans for 2019**

Our legislative committee has kicked off 2019 with a series of conversations, including meet and greets, with some of our freshman legislators & state rep that represent our community. Illinois House of Representatives, Dan Ugaste replacing Steve Anderson. US Congresswoman Lauren Underwood replacing Randy Hultgren. Illinois House of Representative, Karina Villa replacing Mike Fortner. IL Senate, Don DeWitte replacing Karen McConnaughay. We expect to meet with US Congressman Sean Casten who replaced Peter Roskam in the near future. The goal of the legislative committee in 2019, is to evolve and become more of a resource for all your legislative needs and questions.

The purpose of our meetings is to begin having a two-way dialogue with our legislators, so we can best inform our members on hot topics. If you have any legislative concerns or ideas, perhaps an interest in the committee please reach out to
