

Member Referral Program

The St. Charles Chamber works to exceed your expectations by providing relevant tools, resources, programs, and events for our members.

We know how powerful a word-of-mouth endorsement can be and we know there is strength in numbers. A growing membership strengthens our Chamber's impact as we provide valuable services for our members.

That is the reason we created a member referral program that grows YOUR chamber, while rewarding you for your support of our community. It's a win-win for everyone!

As a Thank You for Every New Business You Refer for Membership

If the business decides to join the chamber, you will receive a credit towards a chamber/committee event of your choice, with a cost of \$30 or under.

- The Rules
 - There are no limits on how many businesses a member can refer
 - **This referral form and the new member application** must be completed and submitted to the Chamber along with the new member's dues payment. If they join online, only this application is required. Membership payment must be received to qualify
 - If several members recruit the same business, the Chamber will honor the first referral company only.

The Best Way to Talk to Someone About the St. Charles Chamber...
Share Your "WHY" and Experiences of Being a Chamber Member

Send the Completed Membership Application and This form to St. Charles Chamber of Commerce
