

FEATURED BOARD MEMBER OF THE MONTH

Ryan Anderson

St. Charles Chamber of Commerce

Account Executive

High Wire Networks

It's that time of year when you go to work in the dark and come home in the dark. When the world is frozen and you begin to think that Spring will never arrive. However, it's also the time when a new year brings resolutions and hope for a better year than the last; because we all know that Spring will, indeed, eventually arrive.

This year I hope one of your New Year's resolutions is to take advantage of all the Chamber has to offer. Have coffee with the Mayor. Have coffee with Jim during our "Talk it up Tuesdays". Attend a ribbon cutting to support a local business. Enjoy networking at an after-hours mixer. Come see who has talent at the Baker Community Center. Attend a WBC luncheon and take notes on how to better yourself and your business. Dress up for the Charlemagne awards gala and enjoy an evening with 500 friends.

At the Chamber we are continually looking for ways to help you grow personally and professionally. Our mission is to invite you, the business community, into quality programs, environments and experiences in order to create connections for you. Help us continue our mission by making 2020 a year where you take advantage of all the connections the Chamber has to offer.
