

### Carlson's Flooring

Carlson's Floors is family owned, 2nd-generation business and the leading source of carpet, tile, hardwood, luxury vinyl, area rugs and commercial flooring in the Fox Valley. While we remain committed to providing exceptional products and pricing, our superior customer service has been bringing our customers back year after year since 1967. From trends in kitchen backsplash tile to advancements in commercial flooring technology, Carlson's educated design and sales staff stays on top of our industry. We are prepared to provide a wide range of products and highly skilled services suited to each individual project. Our downtown Geneva showroom is the ideal location to browse an extensive collection of flooring products in price points from builder grade to custom. Stop in soon to see why our customers have been referring us to their family and friends for over 50 years!
