

Inland Bank

Inland Bank & Trust is committed to the community. I am Janet Roman, and I am the Bank Manager for the Geneva branch, serving the Tri-City Area. I am thrilled to be a part of the Inland team and I have been in our community for many years.

As a business of Geneva, my team and I are deeply involved in the community. We have all lived, worked, and have raised our families here. The Tri-City Area is a great place to be! We have a deep commitment to the Tri-City Area, from working with local businesses to supporting our schools; Inland Bank has had the right idea about being a true community bank.

Whether it's our Hometown Hero Checking, which gives money to worthwhile charities, to our Health Savings Accounts which can help people and businesses with Health Care costs, we can also help you get into your first home or grow your business. We embrace technology by offering Mobile Banking with Remote Deposit Capture. We are making a difference every day.

We are grateful that the industry has recognized Inland Bank's employee volunteer efforts with:

2015 Illinois Bank Community Service Award winner by the Illinois Bankers Association

2015 America Bankers Association Community Commitment Award for Volunteerism

I invite you to join me for a cup of coffee and learn about all of the ways Inland is in our community. From the friendly faces in our lobby, to the products we have dedicated to enriching our local businesses, to checking and deposit products that make a difference and so much more.

So stop in and visit me and my staff and discover why I chose to be part of the Inland Bank family.
