Shine A Light: Screening of Harlington Hospice films by Global Academy: Thursday 24 January 2019

We are delighted that Global Academy, Hayes chose to work with Harlington Hospice as part of the Year 13 final year 'community engagement' project. Collaboratively, between us we developed the concept of 'Shine a Light' to capture on film the work we do in supporting people living with life limiting illness throughout the London Borough of Hillingdon.

Six short films have been created by the students working in groups and capturing the work of our staff, practitioners and volunteers, and telling real stories through the words of our patients.

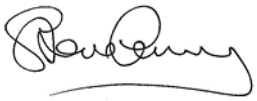

We are proud to invite you to an **exclusive celebratory screening** event to see the results for yourself on **Thursday 24 January 2019 from 6.30pm**.
