

Safe Routes to School (SRTS)

Make Walking & Biking to School Safer and Easier!

The **Safe Routes to School (SRTS)** program helps schools create safer, more accessible ways for students to walk and bike to school.

By identifying and addressing barriers like:

- Lack of sidewalks
- Poor infrastructure
- Few programs encouraging active transportation

SRTS encourages healthy habits and improves safety around school zones.

Safe Routes Program & Grant Funding

To learn more about the program and associated grant opportunities visit www.fdot.gov/projects/floridasrts/home

North Florida TPO is Here to Help!

We're offering technical assistance to schools applying for the 2025–2026 school year.

To participate:

- Agree to establish a school task force before the year begins
- Host a safety events and collect transportation surveys
- Have staff ready to support SRTS activities (principals, teachers, or district leaders)

Here's how we can assist:

- Program Coordination
- Task Force Establishment
- Grant Applications

5 E's & Examples

Education

- Safety Education and Demos
- E-Bike Education

Encouragement

- Walk/Bike to School Days

Enforcement

- Speed Tracking Signs

Engineering

- Walk Audits and Design

Evaluation

- Student/Parent Surveys

Please reach out to the TPO's transportation planner, **Thalia Fuste** at TFuste@northfloridatpo.com or **(904) 306-7503** by **June 6th** to express interest in technical assistance or to learn more about the program.
