It is the policy of the ERCSD School Board that there will be no discrimination on the basis of age, race, creed, color, religion, marital status, sexual orientation, national ethnic origin, economic status, or disability for employment in, participation in, admission/access to, or operation and administration of any educational program or activity in the School District.

**PLEASE NOTE:** At the time this flyer went to press, we plan to welcome all students back to school for face to face classes in September. However, this could change quickly and therefore we are working to have flexible options for instructors and students to allow for programming that meets community needs. All decisions and required precautions to take will come from SAU 16 Superintendent of Schools and the school district policy set forth to follow. Updates will be posted on our website and Facebook page as we have more details.
