To Whom It May Concern:

The first ever Sanborn High School Ice Hockey Program in Kingston, NH was established in 2012 with the generosity of many businesses such as yours as well as our community. We competed at a Junior Varsity Level for two years and are extremely excited that we are competing in our Fifth year as a Varsity Team.

The Sanborn Ice Hockey players and their families are extremely dedicated and passionate. They continue to work very hard in order to make the program possible. We have many talented and dedicated hockey players who will continue to represent their school playing a sport they love. Contributing to their high school athletic program will not only give them a great sense of belonging and school pride but more importantly teaches life lessons. This is done with the help of a dedicated coaching staff. They instill respect, discipline, teamwork perseverance and honesty. Unfortunately, our hockey program does not receive funding for the program from the school budget. We continue to be required to raise all the funds necessary to make this hockey program possible for our student athletes.

Sanborn Ice Hockey will be hosting our sixth annual Golf Tournament on Saturday, August 29th, 2020. In order to make this fundraiser a great success, we are in need of hole sponsors as well as donations for our raffle table. We greatly appreciate all donations and will work hard to maximize your company's visibility at our fundraising events. We will also publicly thank all the donors on our Facebook page as well as our Hockey Program which is available at our games.

Please feel free to contact us for any additional information. Thank you for your time and consideration in supporting the Sanborn Ice Hockey Program. All donations should be mailed to:

Sanborn Ice Hockey
PO Box 161
Kingston, NH 03848

It's the generosity of businesses such as yours for kids in need that makes for a successful community program. Sanborn Ice Hockey is a 501 (C) organization making your donation tax deductible. Tax ID Number 80-0809306.
