

BLACKHAWK

Christian School

January 18, 2021

Dear BCS Parent,

As we approach reenrollment for the 2021-2022 school year, I want to thank you for making Blackhawk Christian School your child's educational choice and for allowing us to partner with your family in preparing students for the future. The Lord continues to bless BCS with increased enrollment with many grade levels at or near capacity. In order to assure your child's enrollment for the 2021-2022 school year, your online reenrollment paperwork and \$50 per student reenrollment fee must be received by the end of the school day **Friday, February 12, 2021**. Beginning Monday, February 15th, students who have not reenrolled will be moved to "new student" status for enrollment purposes with no assurance of availability and an increase in the enrollment fee to \$100 per student. Also, reenrollment into our Blackhawk Christian Preschool Academy has now begun and is available to all current BCS families on a first come, first served basis. Please don't hesitate to enroll as classes are expected to fill quickly.

Enclosed you will find the 2021-2022 tuition and fee schedule. Tuition will increase by 3.5%, the lowest increase in the last 5 years, and curriculum fees will remain the same. For families on an 11-month payment plan, this represents an average increase of \$27 per month per student.

The reenrollment fee for 2021-2022 will once again be \$50 per 1st-12th grade student.

For families needing tuition assistance, please provide a copy of the front page of your 2020 Federal Tax return (1040 or 1040a) once completed. This form can be emailed directly to me at swild@blackhawkchristian.org or dropped off at either the high school or elementary office.

Thank you for being a part of the Blackhawk Christian School family. We look forward to partnering together with you again for the 2021-2022 school year. If you have any reenrollment questions, please contact your school office:
