Connect with God's Heart for the World

[Free Methodist World Missions](#)

**Tuesday, March 31, 2020**

---

"The LORD himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged." Deuteronomy 31:8

## AFRICA

---

Pray for African congregations as they find new ways to stay connected during this time when they cannot meet face-to-face.

As the Coronavirus reaches the [African](#) continent, there are a growing number of challenges:

- Pray for a rapid understanding of the importance of social distancing and not meeting in groups.
- Pray for countries whose food and fuel prices have drastically jumped. Also, pray for places where food is scarce.

Praise the Lord! Amid the virus and the challenges presented, the Spirit of Christ is present in many African believers. They are seizing opportunities to share the gospel with those whose circumstances are bringing them to a deeper thoughtfulness about their lives.

Praise the Lord! [Ken and Letty Myers](#) made their trip back to the U.S. without difficulty.

## ASIA

---

Thank God for a life well-lived! One of our FM pastors in [Creative Access Country-V](#) died this week after a battle with cervical cancer. Her services underlined her love for Jesus, and many observers were impacted by the Christian funeral. Please pray for her 21 year-old-son, her parents, her sister, and the many she cared for regularly as a pastor.

Documents for a new foundation have been submitted in [Thailand](#). Pray for this process. Pray also for the many members of the FMC in Thailand, who are sick or without work because of the COVID-19 social restrictions.

Pray for the humanitarian crisis developing in [Creative Access Country-I](#) and throughout much of Asia. As a result of quarantines, lockdowns, and the closure of businesses, people are walking miles in the heat, through the night, returning to rural homes in the hope of finding food. Beyond the desperation for basic needs, this has the potential to spread the virus.

Please pray for our FM churches in [Myanmar](#). Some villages are locked down, including four villages where we have FM churches: Hmunhalh, Vomkua, Aiak A and B, and Belhar, where at least 40 are quarantined. There is only one place for tests, and only 10 people at a time can be tested. Food supplies are running out.

Please continue to pray for missionaries who are "sheltering in place" in Asia.

## EUROPE

---

[Larry Winckles](#) reports they started recording daily devotions in English and [Hungarian](#) since the quarantine. People who have never been to the church are watching the videos. Pastor Péter, of the Budapest church had been doing weekly faith classes for children. They have not been able to meet because of the quarantine. Several parents have reached out to Péter through email, asking for the classes to continue. As a result, Peter has started recording the class. They will have their first interactive class this Friday on zoom. Praise the Lord for these opportunities!

[Michael Long \(Greece\)](#) requests prayer for Maria. She has been in the U.S. since early March. Because of the flight restrictions to Europe, she is not able to return to Greece.

Several members of the European missionary team have elderly family members living in the U.S. who are high risk for the COVID-19 virus. Please pray with them regarding the concerns for their well-being. One of the toughest challenges for missionaries is to be away from family in times of illness and crisis.

## LATIN AMERICA

---

Most of Latin America is in quarantine. Many people are suffering economically because they live off of day-by-day income. They cannot generate income in this new reality. A good number of pastors in the area are struggling financially because churches aren't meeting, and offerings aren't being collected. Please pray for God's provision.

We praise God!

- The Carmen de Areco church ([Argentina](#)) youth and Pastora Maria Elena Salas are preparing meals every day for more than 120 people.
- The Pura Vida Church ([360 Mission District - Costa Rica](#)), under Pastor [Dennis León](#), has collected groceries and created a food pantry for those who need it.
- Camino de Vida Pereira ([Colombia](#)) and Pastor Yeni Mena, are buying groceries and giving them to families in need, many of them women who have moved out of prostitution.

We thank God for these examples of His light shining in the darkness and pray for His continued provision for these ministries.

## MIDDLE EAST

---

Pray for leaders throughout the [Middle East](#) who desire to minister to those in need but because of the Coronavirus are greatly restricted. Ask the Lord to give them wisdom and reveal creative ways to be the body of Christ in a suffering world. Pray for all who are affected by the pandemic, especially those who are ill or have lost loved ones.

Iraq, Jordan, Israel, and other creative access countries all have "stay at home" orders. Pray for our team as they use technology to connect groups and leaders. Pray for Egypt. While no official "stay at home" order has been issued, reports indicate infections are rising. Our leaders are required to work from home.

## INTERNATIONAL CHILD CARE MINISTRIES

---

Please be in prayer for ICCM work around the world:

- Protection and health of ICCM staff
- Supply and distribution of food, soap and water filters where needed
- God's special protection in densely populated areas
- Physical and emotional health of children and their families
- Spiritual and emotional strength of the workers

## SEED

---

Pray for SEED's partner livelihood groups. They face trials and tribulations every day. The Coronavirus situation has made their lives even more difficult. Please pray SEED will be able to help greatly during this time, and for God to miraculously provide and protect them.

## SET FREE

---

Join with the Set Free Movement in praying this prayer that was linked to one of their recent Lenten newsletters:

### **A Prayer and a Hope**

*Anonymous*

May we who are merely inconvenienced  
remember those whose lives are at stake.

May we who have no risk factors  
remember those most vulnerable.

May we who have the luxury of working from home  
remember those who must choose between  
preserving their health or making their rent.

May we who have the flexibility to care for our  
children when their schools close,  
remember those who have no options.

May we who have to cancel our trips  
remember those that have no safe place to go.

May we who are losing our margin money  
in the tumult of the economic market  
remember those who have no market at all.

May we who settle in for a quarantine at home  
remember those who have no home.

As fear grips our country,  
let us choose love.

During this time when we cannot physically  
wrap our arms around each other,  
let us find ways to be the loving embrace  
of God to our neighbors.

Amen

**The Free Methodist Church has ministry in more than 90 world areas.**
