AFRICA

Please remember our Free Methodist schools in [Africa](#) this week. Pray specifically for the Great Commission Bible School in Malawi and the FM nursery and primary school in the southwestern area of Cameroon (the Anglophone region). Ask God to provide continued growth and learning in these schools.

A number of those who graduated from the [Wesley Missionary Institute](#) earlier this year are launching new work throughout West Africa. Pray for these new missionaries. Also, pray for the current class at the Wesley Missionary Institute. Ask the Father to develop the heart of a missionary in each of them. ASIA

Praise the Lord! In Creative Access Asia-CA, 19 students recently graduated from the "Followers Class." They completed 31 courses over four years. Ask the Father to bless these graduates as they go out and train many other groups.

Creative Access Asia-PN has experienced unprecedented flooding. Sixty-five percent of the crops have been swept away, 3 million livestock died, one-third of the country is underwater, and 33 million people have been displaced. Many in our FM network have experienced catastrophic losses. Pray for God's peace, protection and provision in this desperate situation.

EUROPE

Please be in prayer for affiliate missionaries [Michael and Tanya Mendakoff](#). The conflict in Ukraine necessitated their departure from the creative access country they were serving. Please pray for their transition back to the U.S. as they settle in Seattle. Ask the Lord to

provide a more permanent housing situation and help their children as they adjust to school.

Praise the Lord! On September 9, International Missionary [Gerry McNamara](#) and two colleagues delivered about 2,000 pounds of food and supplies to three locations in [Ukraine](#). Please remember the millions of internally displaced Ukrainians; many live and sleep in churches, restaurants and campgrounds. As colder weather approaches, pray for ongoing relief efforts and an end to the war. Read more [here](#).

LATIN AMERICA

Rejoice and give thanks - more than 6,615 people have come to Christ through Community Church Planting networks across [Latin America](#), and transformation is taking place in established churches too! Pray for God's continued provision to provide for and invest in leaders who are planting churches.

The [Roller](#) and [Jewell](#) families are both currently relying on one vehicle, often an essential ministry tool. The vehicle has repeatedly been in and out of the shop with an electrical issue. Pray the mechanics will be able to resolve the situation soon.

MIDDLE EAST

This week join us in praying for a fruitful evangelism ministry in [Egypt](#) that reaches out to at-risk young men, many suffering from addictions. Pray for the leaders as they listen, build relationships and share the good news of Jesus.

FMWM FAMILY

FMWM gives thanks for the life and service of former missionary Philip Capp who passed away on September 3, 2022, in Yakima, Washington. Phil and his wife, Carmena, served in Zimbabwe and South Africa from 1958 to 1994. Please be in prayer for the Capp family.

INTERNATIONAL CHILD CARE MINISTRIES

Europe has officially become a new region for ICCM. [Abi Santana](#) has been named the Regional Coordinator for Europe. Abi and her husband, Raul, serve as international missionaries in Spain. Please join us in praying for Abi as ICCM addresses the current and future needs of thousands of displaced children across Europe.

SET FREE MOVEMENT

The Set Free team in Turlock, California, is hosting its 7th annual Freedom Run. Pray for this group as they raise awareness about human trafficking throughout their community. You can join the virtual 5k run by choosing to run any day from now through the end of September.

VISA MINISTRIES

Pray for Jonathan Eccles, FMWM Ministry Deployment Coordinator, as he works with Area Directors to determine potential VISA opportunities for 2023.
