Free Methodist World Missions

December 2, 2025

AFRICA

Prayer is requested for Rev. Joseph Kollie of [Liberia](#), who is very sick. Doctors have advised him to seek advanced treatment in another country. Pray the Lord will provide miraculous healing in his body.

Pray for [Area Director Mike Reynen](#), who will travel for ministry and meetings in [Sierra Leone](#) from December 3 to 10. Ask God to give him wisdom as he helps give guidance to the leadership and churches there.

ASIA

Recent flooding in Southern [Thailand](#) has been severe. The Hai Yai Free Methodist Church has been mostly destroyed. The members have been without food or drinking water and have also suffered property loss. Please pray for God's provision - physically, emotionally and spiritually as the community and church recover from the devastation.

The [Asia Area](#) invites you to join them in prayer during 2026. They are seeking to cover every day of the year in prayer, asking the Father for two things:

- Open doors for the Gospel - in hearts, homes and nations.
- Bold witness and faithful response - that many will hear, believe and follow Jesus.

If you would be willing to commit to praying one day a month, please email janet.coates@fmcusa.org

EUROPE

As Free Methodist churches and ministries across [Europe](#) prepare for Christmas outreach ministries and services, pray God will open doors into specific communities and soften the hearts of individuals to receive the good news of Christ's coming.

LATIN AMERICA

Pray for strength and encouragement for all the leadership in [Latin America](#), that they may maintain a healthy pace.

Please continue to pray for our brothers and sisters in [Creative Access-X](#) who are living in very uncertain times.

MIDDLE EAST

Praise God, thousands across the [Middle East](#), from many ethnic and religious backgrounds, are coming to faith, and Christ's kingdom is expanding in historic ways! Pray for Kingdom-minded, Christ-like leaders to be raised up and equipped to shepherd these growing faith communities.

INTERNATIONAL CHILD CARE MINISTRIES

Pray for a ministry partnership in [Malawi](#) that is helping young people become entrepreneurs. As they identify needs in their community and develop a business plan, ICCM helps provide microgrants from the Special Projects Fund to support their start-up costs. Pray these businesses will develop financial stability and good stewardship in the lives of these young people.

SET FREE MOVEMENT

Praise the Lord! The Set Free Team in [Creative Access-IN](#) handled 24 missing children cases in October and reunited 13 children with their families. Continue to pray for this vital ministry.

VISA

A construction team is needed to assist with a project in [El Salvador](#). If interested, please contact shane.jewell.86@gmail.com.
