## Free Methodist World Missions

June 23, 2026

### AFRICA

---

Pray for the spiritual enrichment of the young people who will attend a youth conference in North Maputo, [Mozambique](#), this week, June 27-28.

Praise God for the new Free Methodist fellowship in Kpoguerré, [Togo](#), planted by students from Wesley Missionary Institute. Seventeen new believers are preparing for baptism. Last Sunday, 24 adults and 30 children gathered in joyful worship. Please pray for these new brothers and sisters to grow strong in their faith and for this church to continue flourishing in this community.

Bishop Lubunga W'Ehusha asks us to continue praying for the [Democratic Republic of Congo](#). News reports indicate more people are being affected by the Ebola outbreak, including health care workers.

### ASIA

---

Please pray for God's presence and blessing over the first worship gathering in the capital city of [Creative Access-MY](#) this coming weekend. As the Lord is lifted up, pray hearts will be drawn to Him, and many will find a place of hope and belonging.

Earlier this month, four new believers were baptized, and four servants were dedicated as church planters in a mountainous region of [Creative Access-MR](#). Give thanks for God's goodness and faithfulness, asking Him to continue working in this area.

### EUROPE

---

Several from the [European](#) missionary team are attending annual conferences in the U.S. this week. Pray for good connections and new partnerships.

Please pray for [Area Director Josh Fajardo](#), who will have surgery on Thursday, June 25.

## LATIN AMERICA

---

[Gaby Estrella and Dalia Sanchez](#) are raising support to serve as FMWM missionaries in Ecuador. Please pray for God's provision and guidance. Ask the Father to open doors of connection with partners, meet their needs, and use their ministry to impact lives for Jesus.

The annual meeting of the Northeast Conference in [Mexico](#) is scheduled for June 27. Pray for unity in the body as they gather for business, fellowship and spiritual refreshment.

## MIDDLE EAST

---

Unanticipated moments sometimes lead to shifts in perspective. Please pray God will continue to use even the smallest moments — like a simple conversation — to soften hearts and transform lives, leading people from hurt to forgiveness and from holding on to pain to choosing grace.

[Impact Middle East](#) is seeking an IT specialist to visit one of our ministry locations to help set up firewalls and security systems. Please ask the Lord to provide someone to fill this need. If you or someone you know would be interested, please contact Katie Barr at [katie@impactmiddleeast.org](mailto:katie@impactmiddleeast.org).

## ICCM

---

Please pray for the ICCM youth in [Cambodia](#), especially the 23 Grade 12 students from House of Love, House of Joy, and House of Peace, as they prepare for their national exams — asking God to grant them wisdom, peace, strength and good health. Also, pray that after their exams, He would clearly guide each of them into the right opportunities for university and their future paths.

## SET FREE MOVEMENT

---

Pray for churches across [Latin America](#) as they prepare to participate in Freedom Sunday during the month of July.

## VISA

---

Please pray for these teams and individuals who are serving:

- John Mack and his small team are serving in two creative access countries in [Asia](#) through July 6.

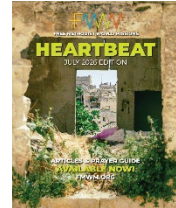

- Tori Bacon, a student at Asbury University, is completing her student internship with FMWM ministries in [Togo](#), serving through June 30.
