Free Methodist World Missions

August 3, 2021

AFRICA

The inaugural class at the [Wesley Missionary Institute](#) has completed their first six months of study, and this week the 11 students are engaged in their first internship. All will be involved in door-to-door evangelism, teaching, preaching and counseling. Pray the Lord will use them in ministry and give them good, practical learning experiences.

ASIA

Thank you for your prayers for Superintendent "P" in Creative Access-MR as he continues a difficult battle with COVID-19. We praise the Lord for some improvement in his oxygen levels and his ability to rest. However, he is still quite weak. Continue to ask the Father for healing. Pray for the Holy Spirit to give strength and encouragement to the entire family.

Free Methodist young people from [Asia](#) will participate in a virtual gathering – FREE Youth Asia CONNECT 2021 – on August 6, 13, 20, and 27. Pray for an awakening among young people throughout Asia.

EUROPE

Continue to pray urgently for Giovanna Souza, the 6-year-old daughter of international missionaries [Moisés and Jacione Souza](#). Her medical condition has deteriorated, and they have exhausted all medical treatments available in São Tomé. She will need to be treated in Portugal (being treated for a bacteria). Jacione will travel with Giovanna, while Moisés and daughter, Felipa, stay in São Tomé. Please pray for Giovanna's healing. Pray the Lord will provide the needed financial resources for travel and medical care.

Pray for Area Director [Josue Fajardo](#) as he travels to Stockholm, Sweden, this coming week, August 6-9. He will be joined by [Eric Casteel](#), the regional director for northern

Europe. Both will meet with ministry leaders who emigrated from the Democratic Republic of the Congo and have initiated Free Methodist work in Sweden.

LATIN AMERICA

[Pastor Hiuberth Zapata](#), our mission district leader in [Nicaragua](#) and [El Salvador](#), has been battling COVID for the past couple of weeks. His health has now deteriorated to the point the doctors are planning to intubate him. Please pray urgently for a miracle of healing in his body!

Pray for several leaders in Latin America with ongoing health concerns:

- Pastor Patricio Alvial ([Chile](#))
- Pastor Gustavo Suarez ([Argentina](#))
- Pastora Glendys Perez Correa, wife of Pastor Hector Simon Correa in [Creative Access Country-X](#)

Please join in prayer for an area-wide seminar to be held on August 14. The seminar's theme is "Creating Solid Foundations for Family and Ministry" and is designed to help ministerial couples establish healthy balance. This is in response to need evident throughout the region as tensions from the pandemic have affected pastoral families.

MIDDLE EAST

Today, August 3, is the memorial day of the Yazidi Genocide, the day ISIS committed the massacre against Yazidis. The government and the FMC are conducting memorial services today. Pray those who mourn will be comforted.

INTERNATIONAL CHILD CARE MINISTRIES

Please pray for our ICCM workers and children across Asia as the Delta variant of COVID continues to surge in many places. Ask the Father to heal, sustain and provide for those affected physically and economically.

SEED

Praise God! Some members of the [Dayanand](#) weaving group (they create the handwoven bookmarks, napkins, and bags sold by SEED) came down with COVID but have recovered. We have great reason to give thanks since many of them already had compromised immune systems.

SET FREE MOVEMENT

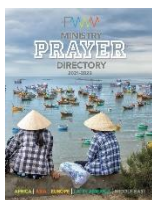

[MyPlace](#), a featured Freedom Sunday organization, is a rental living space for young women aging out of foster care. Volunteers walk alongside residents to help them work

learn life skills and work through important life milestones. Pray for the young women living at MyPlace.

VISA MINISTRIES

There are construction-related projects in Latin America open to short-term teams and partners looking for an opportunity to serve as early as the end of 2021 and into 2022. For more information, contact [J.R. Crouse](#).
