AFRICA

Pray for five students from Wesley Missionary Institute in Togo as they start their four-week remote internships on Wednesday. Ask God to guide them as they plant churches and take the gospel to new areas.

Pray for Area Director Mike Reynen as he heads back to the United States from Nigeria after the annual conferences. Ask God for safe travels, renewed strength, and wisdom as he continues to support church leaders and ministries.

ASIA

Pray for the final preparations for the Philippine General Conference, which will be held next week in Butuan City. Ask God to grant wisdom, unity and clear direction as leaders seek His guidance for future ministry.

Work is beginning in a new area of Creative Access-IA. Pray for God's blessing on Nathanael, Christine and their family as they move to this unfamiliar area to plant a church.

EUROPE

For 10 years Michael and Maria Long have been ministering to the immigrants coming through Thessaloniki, Greece. They are now giving thanks to God for answering their prayers of the past 10 years. God brought a Greek believer with a heart for Muslims into the Thessaloniki church. He is now part of the ministry, and other Greeks have started to attend. Pray God will continue to strengthen this growing connection with the Greek community, bring more Greek believers into the church family, and use their ministry to build a diverse community united in reaching Muslims, refugees, immigrants and people from all nations with the love of Christ.

LATIN AMERICA

The Chile Annual Conference meets this coming weekend. Pray for Thad Roller, who will preside, and Jerry and Jan Coleman as they teach.

Please pray for Patti Marroquin, wife of Guatemala Mission District Leader Victor Marroquin, as she recovers from surgery. Ask God to grant her healing, strength and a smooth recovery.

Pray for children across Latin America as they complete their school year and take exams. Give thanks that the *Raices* discipleship materials have reached more than 4,000 children ages 3-12.

MIDDLE EAST

Pray for ministries in Iraq that are encouraging displaced families, bringing youth together through sports and creating spaces for connection, hope and belonging.

ICCM

The Musamyu Technical Secondary School in an eastern province of Rwanda experienced a dormitory fire due to a construction accident. We thank God that all students were safe. Pray for God's provision, asking Him to provide suitable housing, needed resources, and comfort and healing for students affected by the trauma of the fire. There are no sponsored children at this school, but ICCM partners in the region to serve pastors' families.

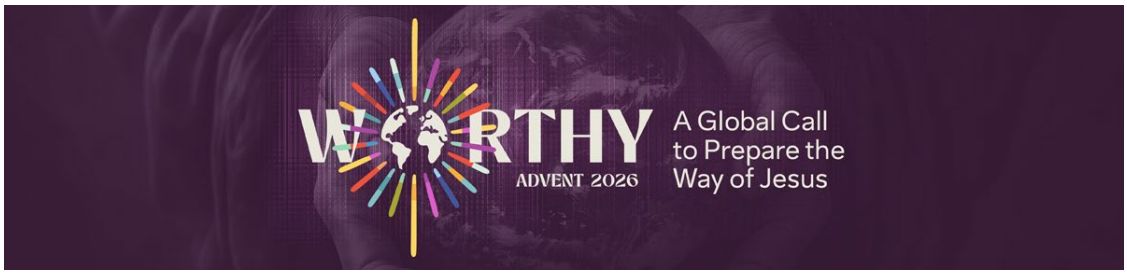

SET FREE MOVEMENT

Pray for Set Free Movement Director Kevin Austin as he visits and ministers in the Philippines, connecting with churches and leaders who are engaged in the fight against trafficking of children and young people in their country.

VISA

Impact Middle East continues seeking an IT specialist to visit one of our ministry locations to help set up firewalls and security systems. Please ask the Lord to provide someone to fill this need. If you or someone you know would be interested, please contact Katie Barr at katie@impactmiddleeast.org.
