AFRICA

Ask God to bless Superintendent Dr. Bruce Cromwell as he teaches Wesleyan Theology at Wesley Missionary Institute in Lomé, [Togo](#). Pray for wisdom and clarity as he teaches, and for the students to grow in their understanding of Scripture and Wesleyan theology, equipping them to serve and disciple others faithfully.

ASIA

Ask God to bless the 70 emerging leaders from across [Creative Access-VN](#) participating in an Inductive Bible Study course this week. Pray they will understand and apply what they learn, and ask the Lord to give wisdom, strength and clear communication to the instructors and translators leading this large group.

Pray for [David Clemente](#) as he travels to Creative [Access-MY](#) later this week. Ask God to bless the upcoming time of ministry with Free Methodists in this country. Pray for the Holy Spirit's guidance as God's Word is shared and for His continued leadership as this church plant in the capital city grows.

EUROPE

Ask God to open the hearts of Iranian and Afghan families in [Greece](#) as they continue studying Scripture and learning about baptism. Pray God's Word comes alive to them, their questions lead to deeper understanding, and they have the courage to embrace the truth of Jesus and follow Him. Ask God to bless those faithfully building relationships with these families, giving them patience, wisdom and enduring love as they share the gospel.

LATIN AMERICA

The [Mexico Provisional General Conference](#) convenes September 25-27. Pray for the wisdom of the Holy Spirit in the election of leadership and in every decision, bringing delegates together in unity of purpose and shared vision for the church.

MIDDLE EAST

Pray for people and families facing hardship, discouragement, and spiritual uncertainty, that they will encounter the hope and transforming presence of Christ. Ask God to strengthen ministry leaders helping them remain faithful as they walk alongside their communities, and use homes and churches as places of welcome, healing, discipleship and lasting transformation.

ICCM
