### AFRICA

---

Ivory Coast leader, Maho, is conducting a two-week evangelistic program May 10-23 in Toulepleu. Pray the Lord gives success in this outreach, bringing many people to Christ and into a new, active relationship with the church.

### ASIA

---

The Father is listening to our fervent prayers for Creative Access-MR. The stories out of this persecuted nation are horrific, and communication is limited. Pray for faith to endure, mercy to endure, hope to endure!

Join us in giving thanks to God for 14 new believers in Thailand during April, including six baptized on Easter Sunday! Pray for these new believers and a continued wave of new kingdom growth.

Superintendent Abraham from Creative Access-NP has been diagnosed with Covid-19. Please pray for his health to be restored and protection over the rest of his family.

Urgent prayer is still needed for the health crisis in Creative Access Country-IN. Other nations across Southeast Asia are also experiencing a significant and alarming surge in coronavirus cases. Pray for God's hand of mercy on the nations throughout this region.

### EUROPE

---

Pray for the Pure Farm agricultural project in Bulgaria. It is planting season now. Ask the Father to give an abundant harvest and use this project to plant seeds of the gospel in the community.

Praise the Lord! The fellowships in Budapest and Györ (Hungary) were able to resume in-person worship on May 9. All those who participated were encouraged. During this crucial

transition time, pray the Holy Spirit will draw people together in unity of heart and mind as the body of Christ.

## LATIN AMERICA

---

Join the Latin America area in celebrating the birth of Jeremías Carballo on May 10. Jeremías is the son of our mission district leader in [Uruguay](#), Sebastian Carballo, and his wife, Vanessa. He was born premature but is doing well. Pray for Vanessa as she recovers from the emergency cesarean section.

Please continue to pray for Luis Fernand Perez ([Colombia](#)), an integral member of the Pastoral Formation team in [Latin America](#). He had open-heart surgery earlier this year and returned to the hospital over the weekend for catheterization of two blocked arteries. He is expected to return home today.

## MIDDLE EAST

Praise God for miracles of healing taking place in this region. Pray people who witness the power of God will turn to Him.

## FMWM FAMILY

---

Join FMWM in celebrating with [Eric and Amy Casteel](#) on the graduation of the daughter Madison from Wheaton College on May 9. Eric is an affiliate missionary in Belgium, serving as the Belgium country leader and training national pastors and church leaders.

## INTERNATIONAL CHILD CARE MINISTRIES

COVID-19 cases are spiking in [Cambodia](#), and the government has ordered the temporary shutdown of schools, including our ICCM programs there. Pray for the staff as they navigate this situation, providing food and homework for the children.

## SEED

Pray for the *Wunders* Kenya team working to launch a livelihood group to make and distribute reusable menstrual supplies along with the message that we are all created wonderfully in God's image.

## SET FREE MOVEMENT
