## Free Methodist World Missions

June 28, 2022

### AFRICA

---

The Free Methodist Church in Coyah ([Guinea Conakry](#)) is renting a space where they are not allowed to use musical instruments for praise and worship. Pastor Gabriel Lamah asks us to join them in praying God would soften the landlord's heart to allow the church more freedom in their worship.

Please continue to pray for the Free Methodist Church in [Ethiopia](#) and the ongoing challenges resulting from conflict in their country.

Retired missionary Tim Kratzer concludes his trip to the [Democratic Republic of Congo](#) this week. Today he will tour a small hospital built by the church in Bukavu; on Wednesday will travel to Kibogora and eventually make his way back to Bujumbura. Pray for safety in travel and the crossing of many borders.

### ASIA

---

Praise the Lord for three new elders ordained and 12 ministerial candidates received at the first annual conference meeting in Creative Access Country-VN.

Praise the Lord for a new worker who will soon help reestablish FM work in South Korea.

Praise the Lord for Kingdom expansion! Pray for creative access countries expanding their work into two new creative access countries.

### EUROPE

---

This week there is a children's creative camp at the Ministry Center in Budapest, [Hungary](#). Pray this time will help build connections and open doors with new families in the neighborhood.

The Mosaic Cultural Center in [Spain](#) has applied for a grant from the Madrid Rotary Club. This grant would allow them to expand their curriculum and the scope of their ministry and outreach. Please pray for this initiative as they seek to broadly share their vision with other such organizations in the community.

## LATIN AMERICA

---

Pray for several of our Latin America missionaries – [J.R. and Becky Crouse](#), [Shane and Katie Jewell](#), [Glenn and Wendy Lorenz](#), [Thad and Nikki Roller](#), and [Rodrigo and Tanya Rosado](#) – as they participate in partnership building in the U.S. this summer. Pray for protection as they travel and encouragement for both the missionaries and their supporting churches.

Please continue to pray for [Ecuador](#). Pray the conflict and protests will end, and peace be restored.

## MIDDLE EAST

---

Please continue to pray for a social media ministry initiated in one country and for the team interacting with seekers connecting online.

All Impact Middle East networks are led by indigenous Middle Easterners. Our leaders include young women, leading in a region where women are traditionally ostracized or neglected. Please pray for the Holy Spirit to strengthen and empower these leaders with wisdom, boldness and compassion to reach the lost.

## INTERNATIONAL CHILD CARE MINISTRIES

---

Ann's Angel Fund allows ICCM to immediately distribute funds for emergency medical needs and necessary medical procedures that might be cost-prohibitive for families. Thank the Lord for those who generously give to this fund. This week join us in praying for Ben, an ICCM child in Cambodia who is a recipient of these funds and will have surgery in July.

## SET FREE MOVEMENT

---

Many children in Colombia come from communities where drugs, gangs, and prostitutes are on every block. Some children are refugees needing basics like food, friendship and hope for a future. Pray for Mayra and her team as they support and mentor children and youth, letting them know they are loved and made in the image of God.

## VISA MINISTRIES

---

Pray for a team of five from Christ Community Church in Georgia serving in Spain through July 4.

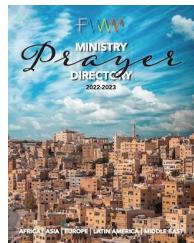

Pray for Tyler and Ashley (Carroll) Dykstra as they serve in Kenya through July 9.

Pray for a team from the Santa Barbara Free Methodist Church. They lead a VBS in Costa Rica from June 27 to July 4.
