AFRICA

Join [Tumaini Women Kenya](#) (TWK) in giving thanks to the Lord! A new community sanitation facility will soon be constructed in one of the outlying areas. This "pit latrine" is located in the middle of a trading market serving around 500 people. Continue to pray as they work on projects related to a training center for classes on business management and job skills.

Pray for the FMWM [Africa](#) team as they participate in strategic meetings this week, September 14-18. The meetings will include both U.S. missionaries and African colleagues.

ASIA

Thank the Lord for the recent session of the [Taiwan](#) Annual Conference. Please pray for the newly elected superintendent and the ongoing transitions as they move toward becoming a Provisional General Conference. Also, pray for Holy Light Theological Seminary, the president, faculty, and students as they move into this school year with some classes on-line.

Pray for two pastors in [Asia](#) who are facing severe illness. One is fighting liver cancer, and the other is struggling with kidney failure. Ask the Lord for a miraculous touch of healing on these two men.

EUROPE

Missionaries [Al and Diane Mellinger](#) are currently in the U.S. doing partnership building. Pray for health and safety as they travel and good connections with partnering churches. Join them in prayer for their ongoing work with economic development in Bulgaria and the 2020 [Virtual Christmas Gift Box](#) ministry for community children.

LATIN AMERICA

[Haitian](#) Bishop Deveriste calls on us to urgently pray for his country. The political unrest is extreme, and gang violence has spiraled out of control. The situation has become quite alarming. Please pray with our FM brothers and sisters for God's peace and hope to rule in their nation, and for believers to stand firm in their faith during these incredibly challenging circumstances.

We praise the Lord! Pastora Geovanna Chavez, [Peru's](#) mission district leader, reports improvement in her health. Pray for her complete healing and restored strength as she continues to experience the coronavirus's lingering effects.

There are several leadership transitions taking place in [Latin America](#). Pray for wisdom, grace, healthy transitions, and ultimately the continued expansion of the Kingdom of God.

MIDDLE EAST

Praise the Lord for miraculous transformation in families as those of the majority religious background come to know Jesus. Pray for healing of marriages, healthy parent-child relationships, and the witness the changes in relationships can have to extended family members.

FMWM FAMILY

Join FMWM in rejoicing with missionaries Larry and Katie Winckles on the birth of their grandson Harvey Andrew, born August 30.

INTERNATIONAL CHILD CARE MINISTRIES

Pray for the safety of the children and workers who travel in remote regions or in busy, densely populated areas where accidents are prevalent.

SEED

The SEED team has launched new Virtual Events. Pray this new venue will be fruitful in sharing the message of SEED as they work to transform communities around the world through sustainable livelihood.

SET FREE MOVEMENT

Pray for Set Free Movement director Kevin Austin and his leadership team as they pray and plan regarding mission and goals for 2021 and beyond. Ask the Holy Spirit to guide them into creative and effective ways to fight trafficking and protect the vulnerable during uncertain and changing times.
