[Free Methodist World Missions](#)

## AFRICA

---

Please continue to pray for the people of [Mozambique](#). Although reports are still incomplete, we know that ten churches have suffered damage. Three churches and parsonages have been destroyed. The parsonage losses include the loss of all the pastors' personal belongings. At this point, we know of no loss of life among Free Methodist members. The developing issues are the lack of clean water and the health concerns that follow. Cases of cholera and typhoid are already being diagnosed. Please pray for the [Hope and Healing Africa](#) Board of Directors who are developing a response plan that they hope will be sustained and effective.

## ASIA

---

Praise the Lord for 14 people who were recently baptized in one Southeast Asian country. Pray for this country as they continue to plant churches in new areas.

## EUROPE

---

Praise the Lord for five recent baptisms of Middle Eastern refugees at the church in Thessaloniki, [Greece](#). Pray for the spiritual growth of believers and for the next baptism class that will begin in April. Pray for missionaries [Michael and Maria Long](#) as they continue to minister to the continuing flow of refugees who are passing through Greece. The lives of the refugees are very unstable, but their hearts are open to the gospel.

## LATIN AMERICA

---

Update on Paul Olver from [Dr. Delia Nüesch-Olver](#):

*After a serious freak accident in Colombia five weeks ago, we can now proceed with returning to the U.S. We will have a physician escort and medical assistance for the flight. There is a long road ahead including further surgery, but we are encouraged. Please pray for all the logistics involved in our trip back to the U.S.*

Praise the Lord for Jenny Orozco, the first elder to be ordained in [Nicaragua](#). Pray for Jenny as she pastors a church and directs one of the ICCM schools in Managua.

## MIDDLE EAST

---

Please pray for workers in this region who are dealing with the emotional duress that is created by repeatedly hearing the firsthand trauma experiences of those who are survivors of terrible acts of violence and cruelty. Pray for the encouragement and peace of the Holy Spirit to surround them.

[Impact Middle East](#) will be sponsoring a tour of the Holy Land October 28-November 7, 2019. For more information go to [contact@impactmiddleeast.org](mailto:contact@impactmiddleeast.org).

## INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

---

Praise the Lord for sponsors who are sponsoring an additional child or taking on new children.

## SEED LIVELIHOOD NETWORK

---

Praise the Lord for Brain Graybill and Vernice Davis, members of the SEED team working in Indianapolis. Pray that the Lord will encourage them and strengthen them as they supervise volunteers and do their day to day work.

## SET FREE

---

A [Freedom Forum](#) will take place in Portland, OR this coming Saturday, March 30. Pray for each individual and organization that will be represented. Pray that people will leave with hope and new connections for taking action in their communities to end human trafficking and modern-day slavery.

## VISA MINISTRIES

---

There continues to be a need for persons to fill two specific personnel needs in Africa. [Kibuye Hope Hospital](#) in [Burundi](#) needs a site manager, and [Kibogora Hospital](#) in [Rwanda](#) needs someone to coordinate hospitality ministry. These opportunities for service could be filled by individuals, couples, or families who would be willing to commit to serving 1-2 years. Please join in prayer that those God is calling will answer with obedience. For further information contact Beth Cullison at [beth.cullison@fmcusa.org](mailto:beth.cullison@fmcusa.org).
