AFRICA

Your continued prayer is appreciated for the second session of the Evert Bible College (May 15-June 14), a ministry of the Free Methodist Church in [Tanzania](#). The school opened in January 2019. Pray for the students who are studying and those who are teaching.

Construction on the Wesley Missionary Institute in [Togo](#) continues. Pray for the construction progress to continue on schedule so classes can begin later this year.

ASIA

In the last couple weeks, several new churches have been established and a number of people have come to faith in Creative Access Country-N. Pray for the safety of these believers and for their continued growth in the Lord Jesus Christ.

Pray for Philip and Daniel, two of our key leaders in Cambodia. They are rapidly working on house repairs, hoping to get them complete before the upcoming monsoon rains arrive.

EUROPE

[Michael and Maria Long](#) request prayer for two discipleship classes taking place in [Greece](#) this week. About 20 Arabic speaking new believers will participate in one discipleship camp and about 40 Iranians in the second camp. Praise the Lord for these new believers and pray this week will be a time when God moves powerfully in their lives, drawing them into deeper relationship with Him.

LATIN AMERICA

Praise the Lord for the 19 freshly written courses comprising a complete pastoral training curriculum. For the first time in the history of the Latin American Free Methodist Church, pastors and district leaders have ready access to all coursework necessary to walk with a new believer and train her or him to be an ordained pastor within the Free Methodist Church. Church planters are using the curriculum to train up new generations of church planters out of those who respond to the gospel message.

MIDDLE EAST

Throughout the month of May, continue to pray for people of the majority religion. As they fast and pray to their god, pray that the one living and true God will move powerfully in their hearts revealing Himself and His love for them.

If you would like to know how to pray more effectively during this month visit [Prayer Cast](#).
