Urgent Prayer Needed

The Stotts Godoy family traveled to Colombia for Kay's work with the ICCM National Coordinator/team and a much-anticipated Latin America missionary retreat. Ben, age 9, has been experiencing severe abdominal pain, acute nausea, and diarrhea. Today it was determined that Ben has E. coli and Norovirus. He is in intensive care in a hospital in Bogotá. Please pray for Ben's healing and full recovery with no lasting damage. Also, pray for strength and encouragement for the family as they care for him.

MIDDLE EAST

Pray for the Holy Spirit to encourage all our leaders in this region as they face ongoing pressure from authorities. Pray for both spiritual and physical protection.

INTERNATIONAL CHILD CARE MINISTRIES

Pray for the ministry work at the Beehive in [Colombia](#), where young girls find safety from potentially unsafe environments and the lure of sex traffickers. The financial need for this work is great. Pray for God's provision for this significant work.

SEED

SEED's annual inventory is this week. Please join us in thanking God for SEED's amazing volunteers who come in once or twice most weeks... and who are all coming in multiple days this week to do the inventory and prepare for 2020.

SET FREE

The Set Free Movement now operates in Bulgaria, Hungary, India, Kenya, the Philippines, Spain, Taiwan and the United States with plans to expand ministry to Latin America. Pray for Kevin Austin as he leads this work. Pray for the teams of people working in these eight countries. Ask the Father to give them hopeful solutions to the issues of slavery in their own cultures and communities.
