AFRICA

FMWM requests prayer for [Julie Yerger](#) during an upcoming period of transition, as a change in place of service takes place for Julie. She has served with excellence at Kibogora Hospital in [Rwanda](#) for the past 12 years. In recent years, the resident missionary community at Kibogora has dwindled to just one - Julie! We are not able to continue sending her to serve at Kibogora without a team. Short-term teams and individuals will continue to cycle in and out, rendering service and providing training. Julie is currently on a routine home assignment for partnership building. FMWM will be working with Julie as we explore her next place of service. She will return to Rwanda December 3 to begin handing over her responsibilities to the national staff. We request all supporters to continue their support during this time of transition. Further information will be coming as her next place of service becomes clear. Pray for wisdom and clarity during this process.

The past two weeks we have requested special prayer for the [Democratic Republic of Congo](#) and [Cameroon](#). Please keep these two nations in your prayers daily, asking God to do a miraculous work to end the conflicts and bring healing, peace, and hope to the people.

ASIA

Please continue to pray for [Hong Kong](#) amid ongoing protests and violence. Pray for the Lord to strengthen His church to bring hope and light to difficult situations.

Pray for Joshua, our FM leader in [Thailand](#), whose father is seriously ill.

The [Asia Pacific Free Methodist Missions Association](#) (APFMMA) will celebrate their 25th anniversary as they meet in the Philippines, September 19-22. Pray for the preparations for their gathering and the travel logistics (including visas) for those who will come from several other Asian countries. Ask the Lord to give them a new vision for Asia and guide them into new areas of mission.

EUROPE

Praise the Lord! The [St. John's Home for Girls](#) in [Bulgaria](#), will be dedicated on September 7. This home will be a place of belonging and thriving for girls facing poverty neglect and abuse. Pray for the finishing touches of the renovation. Pray for many who will travel to Bulgaria for the dedication, including Set Free Director [Kevin Austin](#). Pray for the girls who are eager to begin living at their new home.

Life Skills English classes resume this week at the Ministry Center in Budapest, [Hungary](#). Pray for this outreach opportunity to help unemployed and underemployed individuals improve their job skills. Pray for opportunities to share the love of Christ.

LATIN AMERICA

Pray for the [Puerto Rican](#) Annual Conference as they meet, September 6-8. Praise the Lord for 12 individuals who have been recommended for ordination this year.

Pray for the people of the [Bahamas](#) who have been devastated by Hurricane Dorian. The Grace and Peace FMC in Nassau is part of the South Atlantic Conference. Pray for this church as they seek to be the hands and heart of Jesus to their community during this tragic time.

MIDDLE EAST

Hany gives praise for a recent opportunity to share the good news about Jesus with one neighboring family. This family has been part of the majority background faith. Their hearts are open to the gospel. Pray that they will continue to seek the truth and righteousness found in Jesus.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Pray for ICCM children who must live in a hostel in order to get a good education. Pray they will acclimate quickly to the routine and not succumb to homesickness.

SEED LIVELIHOOD NETWORK

As we have just finished celebrating Labor Day, continue to pray for people around the world who struggle to feed their families. Pray specifically for widows for whom job opportunities are scarce and often

undesirable. Ask God to help churches create micro-enterprise groups with dignity, where people can gain job skills and livelihood.

SET FREE

Pray for churches across the U.S. to join in participation of Freedom Sunday, September 29. The Set Free Movement, ICCM, and SEED are teaming up with Impact Middle East to build upon their existing efforts to refugees in Northern Iraq.
