## SEED LIVELIHOOD NETWORK

Please pray for SEED Director Rose Brewer who is in Thailand, India, and Cambodia over the next few weeks. Pray that SEED would see where God is preparing churches to reach out to the communities with livelihood ministries, and help them take next steps. As product developer Rachel joins her to work with artisan groups in India and Cambodia, pray they would help improve and create products that would help these groups grow and be more of a blessing to their churches and communities.
