Pray for Vickie Reynen as she goes to [Nigeria](#) for ICCM work from March 14-22. Ask the Lord to provide protection, grant wisdom, and make all their connections and ministry fruitful.

ASIA

[Matt Sauder](#), missionary to the [Philippines](#), requests prayer as he prepares for a major test in language school this week. The written test will take about 4 hours to complete, and oral testing will take 1-2 hours.

Pray for the increasing number of female pastors in [Asia](#). Ask the Lord to empower them through the Holy Spirit and give them courage. Pray that congregations and colleagues would embrace the great value they provide to the church.

EUROPE

The roof of the Ministry Center in Budapest, [Hungary](#) is badly in need of repair. The project begins this week. Missionaries [Larry and Katie Winckles](#) request prayer for the safety of the workers, good quality workmanship, and no obstacles that would impede a timely completion within the cost projected. Pray that God's presence and protection will be known to all those involved as they are on the work site each day.

LATIN AMERICA

Note from [Dr. Delia Nüesch-Olver](#):

We are grateful for your prayers and the many expressions of love and care. Paul was released from the hospital here in Colombia and is being treated on an outpatient basis. He will need to be hospitalized again for 1-2 days sometime next week. A challenge has been simultaneously dealing with the impact of internal injuries as well as blood clots. We are aiming for repatriation to the U.S. before the end of March. At some point in the future, he will need further surgery to remove hardware installed in his wrist. Until then, making it through airport security will be fun! Thank you so much for prayers; please continue.

Pray for [J. R. Crouse](#), missionary to [Ecuador](#), as he completes a medical treatment that has required him to be in isolation. Also, pray for Pastor Patricio Alvial, Superintendent in [Chile](#), who is recovering from a serious car accident.

MIDDLE EAST
