

ATHLETIC BUILDING RENOVATION

GIRLS LOCKER ROOM FACILITIES

Clearwater Central Catholic High School

"Where Possibility and Opportunity Meet"

Case Statement

Clearwater Central Catholic, a premier college-preparatory high school in the Diocese of St. Petersburg, has continued a more than 58-year history of dedication to traditional Catholic values, a rigorous academic curriculum, and extensive co-curricular programs. Built in 1962 to educate around 150 students, CCC now endeavors to provide approximately 560 students with a Christ-centered, values-based academic environment in which they are encouraged to pursue levels of higher education and other lifelong learning experiences.

➤ **Project: Athletic Building Renovation & Girls Locker Room Facilities**

Built in 1965, the current girls locker room facility was constructed at a time when the school had no competitive girls sports teams and just three athletic clubs for girls—cheerleading/pep, swimming, and tennis. Since then, CCC has built a highly competitive and well-respected girls athletic program with 12 teams—basketball, cheerleading, cross country, golf, lacrosse, beach volleyball, soccer, softball, swimming, tennis, track and field, and volleyball—serving nearly three-fourths of our female students.

➤ **Background**

In 2008, the school conducted a comprehensive deferred maintenance study, followed by a Campus Master Plan in 2017 which considered the deferred maintenance needs of the campus with a space utilization study and programmatic needs of the entire campus. The most immediate identified needs led to the transformation of our campus with the demolition of three buildings and the construction of the Learning and Achievement building, Field House, Leadership Center and the Chapel of Saint Julie Billiart. These documents continue to guide us regarding projects that still need to be completed.

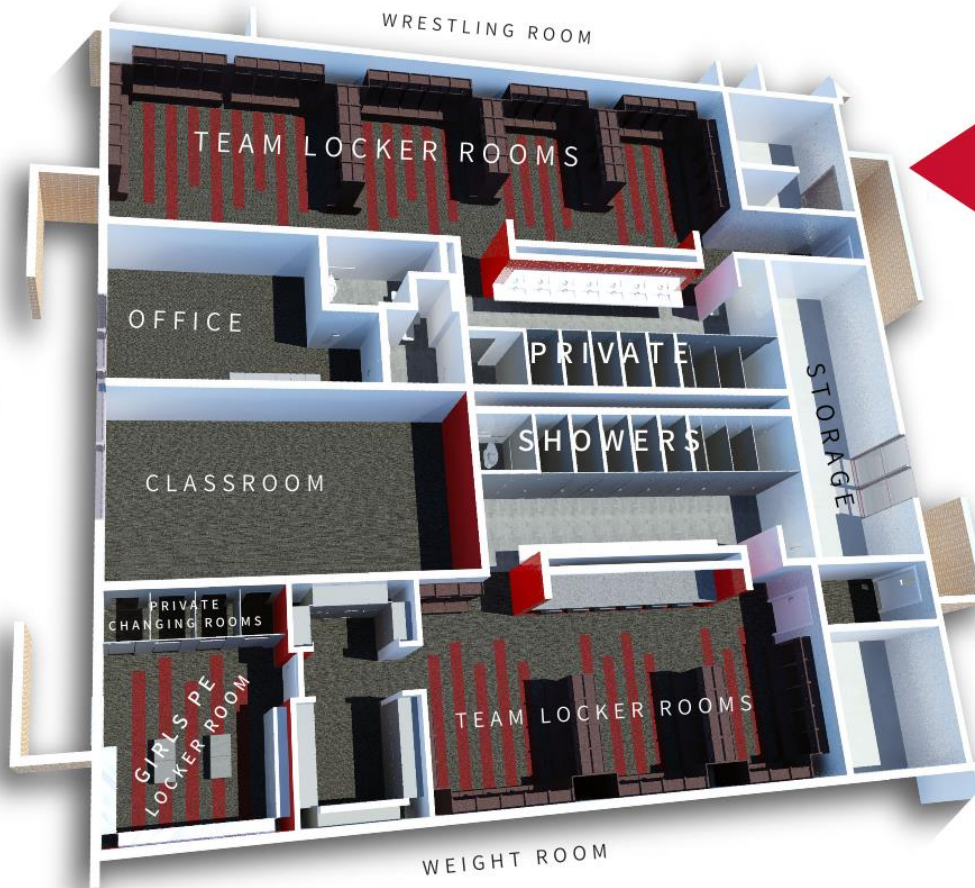

The Project

In 2020, a small committee was convened to review and amend the needs assessment that was done in the Master Plan of 2017. In March 2020, Holmes Architects' contract (for the major project mentioned above) was amended to add the renovation of the center section of the Athletic Building (referred to as the 600 Building) to accommodate the needs of the female students at CCC. This renovation will create girls locker room facilities for sports teams and physical education classes, classroom and meeting spaces, shared offices, and equipment storage. During this process an assessment of the roof and HVAC needs for the entire building was also done and it was determined that the building's entire roof and HVAC system need to be replaced.

Your Support

The cost associated with this renovation requires us to challenge our families, alumni, friends, and benefactors to be even more generous than in our past. It is our hope that after prayer and discussion you will support us in this renovation by considering a gift to the Athletic Facilities Renovation Campaign. Your support is critical to our success, and we invite you to be involved.

NAMING OPPORTUNITIES

Athletic Building - \$1,000,000
Locker Facilities - East Wing Exterior - \$200,000
Locker Facilities - West Wing Exterior - \$200,000
Classroom/Film Room - \$50,000
Basketball Locker Area - \$25,000
Beach Volleyball Locker Area - \$25,000
Cheerleading Locker Area - \$25,000
Cross Country Locker Area - \$25,000
Golf Locker Area - \$25,000
Lacrosse Locker Area - \$25,000
Soccer Locker Area - \$25,000
Softball Locker Area - \$25,000
Swimming Locker Area - \$25,000
Tennis Locker Area - \$25,000
Track Locker Area - \$25,000
Volleyball Locker Area - \$25,000
Coaches' Office - \$25,000
PE Locker Room - \$25,000
Hair & Makeup Area (west) - \$25,000
Hair & Makeup Area (east) - \$25,000

You may also request to have your gift to this project recognized by naming another building, classroom, space or facility on campus.

Athletic Mission

Since 1962, CCC student-athletes have embraced the challenge of competition and have demonstrated a commitment to sportsmanship, team play and success on and off the playing field. At Clearwater Central Catholic High School, we want our students to excel in both academics and athletics. We believe that athletics is an excellent way to teach fundamental values to our students while having fun and promoting exercise. At CCC, we use athletics as a way to teach our students to respect their opponents, learn how to work as a team, participate in good sportsmanship, and overcome adversity.
