

# Eastview's Library Link

Ms. Fesenmaier

April 2019

We're **springing** into **April** in the library with National Poetry Month. Pick out a poetry book to share with your family in the next few weeks. Poems offer the flexibility needed for our often busy lives. You can read as many or as few as you have time for. Rhyming poems help reluctant readers enjoy the magic and fun of words. Shel Silverstein and Jack Prelutsky are probably the most popular elementary school favorites, but other suggested author-poets include Marilyn Singer and Judith Viorst.

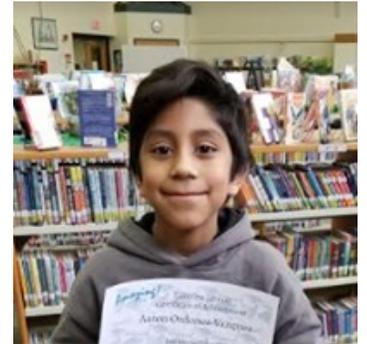

### Digital Safety Tip

Use this handy chart for testing website and information legitimacy called the Legit-O-Meter from Common Sense Education. Post it next to your computer and digital devices for easy reference. ### March Author Visit

A huge thank you goes out to Lisl Detlefsen for her visit on March 7. We learned many facts about her farm and way of life from her book, *Time for Cranberries*. Ask your child to name two details they remember from her time with us.
