

# Eastview's Library Link

Ms. Fesenmaier

May 2019

The month of **May** brings books about warm spring weather (tornadoes and thunderstorms), outside sports and activities (baseball and camping), holidays (Mother's Day and Memorial Day) plus the end of the school year (June 6).

Books and the library also play a vital role for reading during May. Fourth quarter reading can be a challenge, especially setting aside time to meet this last quarter's goals for Accelerated Reader. Check on your child's progress on the library homepage at the Home Connect link.

**ALL Library books are due by Wednesday, May 29th. Please plan ahead!**

Connect to our library's website at

## Calling All Poppers

The Library is sponsoring Popcorn **Friday on May 24th**. We will need parents to help pop the popcorn that morning. Please email the Library if you can help:
