

# Eastview's Library Link

Ms. Fesenmaier

February 2019

## We Love February

February brings a new quarter for discovery and AR reading. Our Information Genre focus continues with The Big 6 Research Method and study of the Dewey Decimal System.

Follow the links on our Eastview Library homepage (see next column).

We are so excited and looking forward to our **author** visit on Thursday, March 7. Author and Wisconsin native, Lisl H. Detlefsen, will present this year's program. Visit her website for more details:
