FOR IMMEDIATE RELEASE

Local Senior Living Community Honored

The Etheridge House Campus was elevated to the Presidential Level of the company's Honor Club for 2026 at Americare's annual awards ceremony. Communities with Honor Club distinction meet very narrow award criteria in each of the four philosophy areas: resident service, employee service, community service and fiscal responsibility. These communities are seen as the company's "best of the best." The administrator and director of nursing from Honor Club communities participate on a corporate advisory committee that researches new technologies and quality improvement initiatives. Honor Club membership runs April to April each year. Only twenty percent of Americare's communities are Honor Club members.

"Our Honor Club achievement is the result of a team effort," comments Dana Coffey. "It belongs to the entire staff. Each day we work hard to deliver person-centered care and to operate in a way that is true to Americare's philosophy. We're very proud to have been recognized for our efforts," she finishes.

"The company considers a nomination in any one category quite an achievement," comments Americare President Michael Hammond. "The community that actually wins the award is simply the best of the best and truly reflects quality that has made Americare a trusted name in eldercare services," he adds.

The Etheridge House Campus is located at 701 Sherrill, Union City, TN and is licensed by the State of Tennessee.
