Kristen Groves (11:28 AM): also Interested to know what menus look like during these times Trina Caton (11:29 AM): Do you provide breakfast as well?
Cielo Guzman (11:29 AM): tnx to all who are on the frontline...this is very challenging while keeping frontliners safe...
Leeann Errotabere (11:29 AM): Are you experiencing food product shortages with your suppliers?
Meghan Russell (11:29 AM): is your funding able to keep up with increasing demand?
Julie Muljat (11:32 AM): What means are used by school districts to continue construction activities on campuses while offering food services at those school sites while practicing social distancing?

Molly Stitt (11:32 AM): Thank you Stephanie and Jason for this impressive service you are providing for your communities!

HEATHER IGARTA (11:33 AM): Lunch Assist has some great resources!

Mobile Guest (11:34 AM): how do u keep social distance at the bus stops"

John Hayburn (11:35 AM): During table service, what product are you using to sanitize instantly with?

Julie Muljat (11:35 AM): Please mute!

Meghan Russell (11:37 AM): That's great! Good job LBUSD staff!

Julie Muljat (11:39 AM): Are there any identification requirements to pick up food?

Leeann Errotabere (11:40 AM): Are any of you feeding under age 1 children?

Mobile Guest (11:40 AM): no

Mobile Guest (11:41 AM): how do u

Mobile Guest (11:41 AM): how r u social distancing at bus stops

Des Haus (11:46 AM): can you provide that company again please

Jesse Bath (11:47 AM): EPA LIST N will have all disinfectants that can make the kill claim against COVID-19

Mark (11:47 AM): SFSPAC is the company

Des Leeann Errotabere (11:48 AM): Providing formula for babies????

Darrell Daniels (11:48 AM): We used Hillyard product at Salinas City

Chris Schmidt (11:49 AM): I'm guessing you have charter kids showing up because charters aren't serving meals?

Meghan Russell (11:50 AM): are you taking temps of your nutrition staff?

Eric Hall (11:50 AM): Are your districts compensating employees extra pay, time and a half or?

Ashley Rondeau (11:50 AM): What is the name of the product that you said was approved and proven to kill COVID?

John Lial (11:51 AM): Do you have an example of the self-screening form?

ERIC (11:51 AM): With the increase of food preparation to serve the community, have you asked staff that are not food service personnel to help with either the food prep or distribution since these are essential services?

HEATHER IGARTA (11:51 AM): How do you prevent people from going through the line multiple times?

Belinda Ross (11:52 AM): What is your limit on meals you'll serve to each family?

NANCY LEON (11:52 AM): what is the limit that you're giving for food.

Darrell Daniels (11:53 AM): No compensating in the Salinas city, this would have to be negotiated with our unions

John Lial (11:54 AM): Is staff being compensated for being sent home when the display symptoms even if they would normally not call in sick?

Janet Dixon (11:54 AM): For counties with required face coverings, what about parents/students receiving meals? Are you asking people to step out of line?

Leeann Errotabere (11:56 AM): What % of increase have you seen in your current food costs?

Leeann Errotabere (11:57 AM): Can we include food program losses on FEMA claims?

Joanne Branch (11:58 AM): How is the Food Service program holding their place for FEMA funds? Separate coding, detailed documentation, etc. as per the FEMA webinar? Need to connect all parts of the district info FEMA and other sources of funds that come with STRINGS!!!

Joanne Branch (11:58 AM): BBK did a really good FEMA webinar this week and will post it.

Liann Reyes (11:59 AM): We had food service workers that did 12-14 hours just to meet the increased demand

Joanne Branch (11:59 AM): FEMA looks to cover the delta between "normal/Usual" and COVID caused.

Joanne Branch (11:59 AM): I can't see how food service costs wouldn't meet some form of FEMA bar of "above normal" costs.

<https://www.bbklaw.com/news-events/insights/2020/legal-alerts/04/preparing-for-covid-19-pandemic-fema-public-assist>

Joanne Branch (12:03 PM): following the FEMA rules will also line you up for proper documentation for other special funding sources that are still being developed. Should identify a budget string tag for COVID related expense!! Abundance of Caution. And, keep those records special and safe!

Jema Estrella (12:03 PM): Regarding FEMA, if you'd like reimbursement for COVID-19, the RPA is due on Friday 4/17/20

Joanne Branch (12:03 PM): FEMA admin fees will even cover the cost of bringing in help for the district to document all costs across the district in all units and assist with reimbursement processing.

Jema Estrella (12:03 PM): RPA = request public assistance

HEATHER IGARTA (12:04 PM): I thought the 4/17 date was extended??

Joanne Branch (12:04 PM): Jema - Concur - the form only has a few line items and holds your place. EVERY district should at least submit that document by that deadline, even if they opt away later.

David Daniels (12:05 PM): The deadline was extended 30 days

Joanne Branch (12:05 PM):
