

# EXPERT MEDICAL SERVICES AND ELITE DIAGNOSTIC IMAGING SERVICES

Have your diagnosis reviewed by a specialist. **It could change your life.**

Teladoc Medical Experts are world-renowned medical experts, who provide a wide range of services to help you and your treating physician make the best possible decision for your health. Teladoc Medical Experts give you the peace of mind you deserve under any medical circumstance.

## Access a Full Range of Services:

## Feel confident about your diagnosis and treatment options

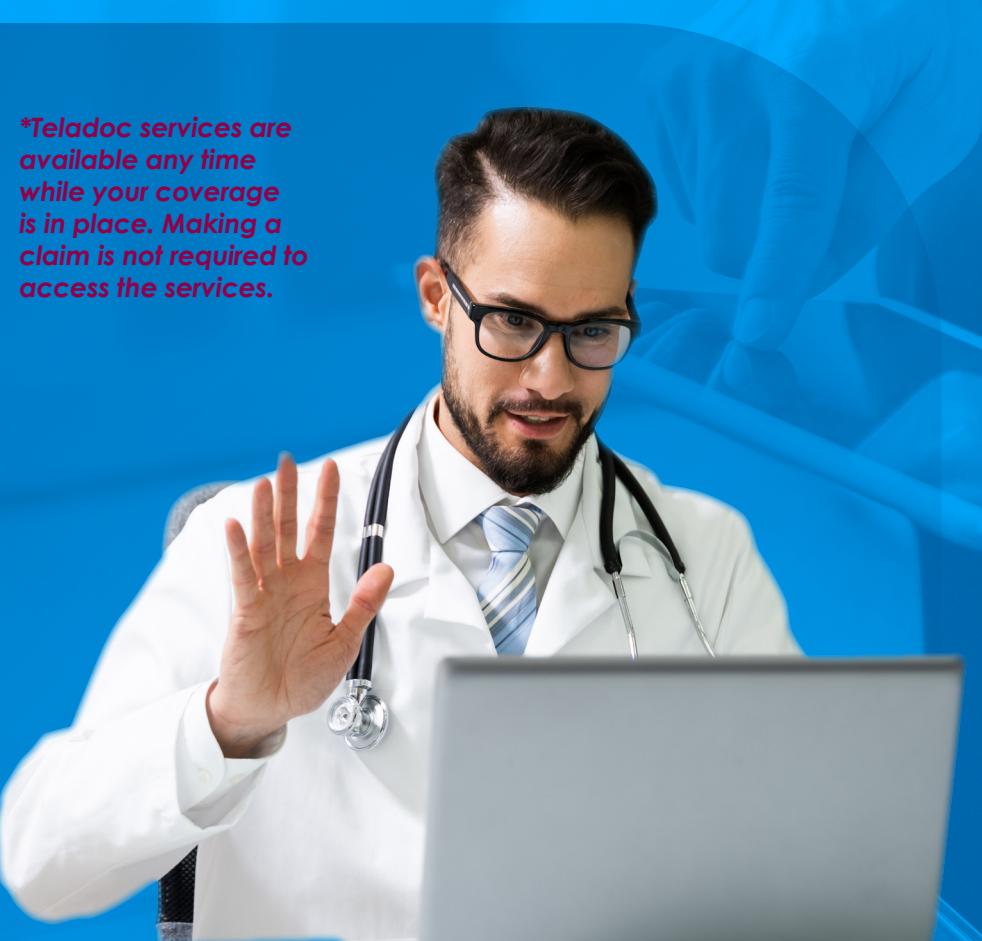

**Get answers to your medical questions  
and concerns**

## Find a specialist or treatment facility

## Easily navigate the healthcare system

When facing the uncertainty of a tough medical condition, trying to find information can be just as stressful as dealing with the diagnosis itself.

With your Global Medical Care plan, you have access to Teladoc Medical Experts Services, which can help you better understand your medical condition and treatment options:

**\*Teladoc services are available any time while your coverage is in place. Making a claim is not required to access the services.**

## Available Services:

### Expert Medical Opinion

Review an existing diagnosis and treatment with a world-renowned expert to confirm or recommend a change of treatment.

### Elite Diagnostic Imaging Service

Receive an MRI or CT scan within a matter of days of your doctor's appointment so you can move forward with treatment and care sooner. (Elite Diagnostic Imaging Service availability is based on the member's location in Canada).

### Personal Health Navigator

Get a variety of information that's specific to your condition from registered healthcare professionals, including articles and community resources that can assist your medical needs.

### Find a Doctor

Provides a list of local in-person experts that meet your specific medical needs.

### Care Finder

Helps you locate specialists or facilities outside of Canada for your treatment/condition needs.

**Both you and your direct dependents have access to Teladoc Medical Experts with Global Medical Care.**

Dependent family includes the insured person's spouse and dependent children under the age of 21 or 25 if fulltime students.
