

# Jersey Retirement Ceremony for Trinity Alumni and Navy SEAL Brian Bill

By Jack Smith

March 2nd will be a special hockey game as the Crusaders will retire former Trinity Graduate, and member of the hockey team, Brian Bill's number. Brian Bill graduated with the class of '97, after which he went to Norwich University earning a degree in electrical engineering. In 2001 Brian joined the Navy and in 2003 joined the Navy SEALs. Tragically, Brian made the ultimate sacrifice in the line of duty in 2011.

Brian won the Purple Heart, a medal for valor, four bronze stars, and many other awards. While Brian will always be remembered for his sacrifice as a Navy SEAL, many more will remember his long lasting effects on the community around him. Anybody asked would tell you how Brian was compassionate, humble, and driven to succeed. Brian's legacy will always live on in the Trinity Catholic community.

On Monday March 2nd, the Trinity Catholic Hockey team fights for a playoff spot against the Wilton Warriors. The Crusaders are just outside the playoffs with a 4-12 record.
