What is Campus Compact EnviroCorps?

The first nationwide AmeriCorps program solely dedicated to campus-based, community-led environmental stewardship.

MORE ABOUT US...

Campus Compact's EnviroCorps (CCEC) program aims to build the capacity of campuses and their community partners to create change that leads to increased energy efficiency and nature conservation improvements by implementing solutions for local households and communities.

Teams of AmeriCorps members serving from host site campuses across the United States facilitate collaborative efforts to promote awareness, education, and positive action for the planet.
